

# SAILING INSTRUCTIONS FOR WEST HIGHLAND YACHTING WEEK 2017

Check Changes  
to SIs

## 1 RULES

Racing will be governed by the rules as defined in the Racing Rules of Sailing 2017-2020 (RRS); the Prescriptions of the RYA; IRC Rules Parts A, B and C; World Sailing Regulations, Appendix B (Special Regulations for Inshore Racing), and Regulation 20 (Advertising Code); The Clyde Yacht Clubs Association (CYCA) Handicap System; Class Rules for One Designs; and the Notice of Race (NoR), all as modified by these Sailing Instructions (SI).

IRC 22.4.2 (IRC restrictions) is deleted and replaced by: "There is no weight limit and no restriction on maximum number of crew or changes to the crew."

## 2 NOTICES TO COMPETITORS

Notices to competitors will be posted on the website and will be available at the race office situated as follows:

a.m. Saturday 29 July to a.m. Monday 31 July	Craobh Marina
p.m. Monday 31 July to a.m. Wednesday 2 August	North Pier, Oban
p.m. Wednesday 2 August to a.m. Friday 4 August	Ledaig Pier, Tobermory
p.m. Friday 4 August	North Pier, Oban

## 3 CHANGES TO SAILING INSTRUCTIONS

For all races, changes made prior to 2 hours before the first start will be displayed at the Race Office and on the event website and, on Tuesday and Wednesday, may also be displayed at Oban Sailing Club.

For all Series races, when it is necessary to make last minute alterations to the Sailing Instructions, such alterations will be communicated by the hoisting on the relevant starting vessel of Flag L, and by being broadcast on the appropriate VHF Channel (see SI 18). It is then the responsibility of those in charge of yachts to acquaint themselves with the alterations before starting. For the Feeder Races, any change shall be treated as a last minute alteration as above.

## 4 RACES

Feeder races will be held on Friday 28 July and Saturday 29 July. The Series will consist of six days of racing, Sunday 30 July to Friday 4 August. On Sunday 30 July and Thursday 3 August yachts will be split into two fleets: THE TUNNOCK'S FLEET comprising Classes 0, 1, 3, 5, 7 and 8, and THE ARGYLL FLEET comprising Classes 2, 4, 6 and 9, and on those days only the fleets will race on separate courses.

## 5 ENTRIES

In order for a yacht to compete, the completed entry form must first be accepted by the organising authority.

## 6 SAIL RESTRICTIONS – ARGYLL FLEET

For details of restrictions applying to yachts entering Restricted Sail classes see Notice of Race para 4.3.

## 7 CLASSES

Feeder Races will be run as a single class using CYCA handicaps. On all other days yachts shall race in the following **provisional** classes. Class divisions will be confirmed on the regatta website – [www.whyw.co.uk](http://www.whyw.co.uk). They will also be displayed at the Race Office from Saturday 29 July.

Class	Handicap Band	Race Flag
0	IRC rated to a minimum TCC of 0.850 and a minimum SSS of 10	Pennant 0
1	CYCA handicaps 10.0 minutes and below	Pennant 1
2	Restricted Sail class for CYCA handicaps below 12.25 minutes	Pennant 2
3	CYCA handicaps over 10.0 minutes to below 12.25 minutes	Pennant 3
4	Restricted Sail class for CYCA handicaps 12.25 to 13.75 minutes	Pennant 4
5	CYCA handicaps 12.25 to 15.25 minutes	Pennant 5
6	Restricted Sail class for CYCA handicaps over 13.75 to 16.75 minutes	Pennant 6
7	CYCA handicaps over 15.25 minutes to below 18.75 minutes	Pennant 7
8	CYCA handicaps 18.75 to 28.0 minutes	Pennant 8
9	Restricted Sail class for CYCA handicaps over 16.75 to 28.0 minutes	Pennant 9

Yachts wishing to change class after the first race of the Points Series but before the second race shall apply to the Race Committee. If permission is given, then that yacht will be withdrawn from the Points Series relating to its original class, and points scores already allocated to the class the yacht is leaving will be recalculated. The yacht will then be entered into the Points Series for her new class with, for the purpose of points scoring, her first race being scored as DNC (Did Not Come) in the new class. A later or second change will not be permitted.

## 8 SAIL NUMBERS AND PENNANTS

Rule 77 and World Sailing Offshore Special Regulation 4.01 shall not apply. All yachts shall display a sail number on the mainsail, easily identifiable from the Official Boats, and this is the number to be shown on the entry form. Sail numbers on all headsails and spinnakers shall be the same as those on the mainsail, unless previously authorised by the Committee.

Whilst racing, all yachts shall display on their backstay, or other prominent position aft, the numeral pennant allocated to their Class (minimum size 6" x 18").

## 9 THE START

Rule 26 will apply. Classes will start at 5 minute intervals (except on Thursday 3 August for the Argyll Fleet only) with signals and order of starting as specified for each day. However, where classes are amalgamated, start times will be amended to avoid gaps in the starting programme. Such alterations will be notified in accordance with SI 3.

Yachts whose warning signal has not been made shall avoid the starting area during the starting sequence of other classes.

Where there has been a long postponement, to alert yachts that a starting sequence will begin soon, Flag T will be hoisted with one sound signal, five minutes before the first Warning Signal. Flag T will be lowered at the first Warning Signal.

Competitors should note that on Sunday 30 July and Thursday 3 August there will be two separate start lines with overlapping start times and should ensure that they attend the appropriate starting line for their class.

In the event of adverse weather or tide, and possibly without postponement of the scheduled start time, the starting area may be moved up the course, past a mark or marks of the course, and that mark or marks will then no longer be valid. Competitors should ensure that they leave harbour in sufficient time.

For the Passage Races on Monday 31 July, Tuesday 1 August, Wednesday 2 August, and Friday 4 August, in certain wind directions an inflatable mark may be laid approximately three quarters of a mile to windward of the Starting Line. If so signalled, this shall be the first mark of the course. Its use shall be signalled before the first Warning Signal by the hoisting of Flag W together with a RED or GREEN Flag, indicating whether the mark shall be left to port or starboard.

## 10 LATE STARTING

A yacht arriving late in the starting area may remain under power after her preparatory signal under Rule 42.3(i) provided that, after stopping her engine and prior to starting, she takes a Two-Turns Penalty in accordance with Rule 44.2 on the pre-start side of the starting line or its extensions. Such a yacht shall keep clear of all other yachts until she has completed her turns.

In the Feeder Races, a yacht starting later than 30 minutes after her starting signal and, in all other races a yacht starting later than 15 minutes after the valid start of the last class to start in that sequence, will be scored DNC (Did Not Come) without a hearing. This changes Appendices A4 and A5.

## 11 RECALLS

**Individual Recalls:** The Race Officer MAY broadcast individual recall numbers on VHF Channel 77, or on Channel 72 for the Argyll Fleet when they are racing on a separate course. Failure to announce sail numbers will not be grounds for redress.

**General Recalls:** The Race Officer MAY broadcast General Recalls. In alteration to Rule 29.2 the normal starting sequence will NOT be interrupted by a General Recall. The new Warning Signal for the Start that has the General Recall will be the Start Signal for the last class in the normal sequence. If two or more classes have a general recall, subsequent starts will be at 5 minute intervals after the first recalled start using the same timing for warning signals and in the order in which the classes were originally scheduled to start. A fast launch or launches flying the "First Substitute" MAY patrol ahead of the class recalled to indicate the General Recall.

After a General Recall Rule 30 "Starting Penalties" may be invoked.

## 12 SHORTENING COURSE

When the shorten course signal is displayed by an Official Boat at or near a mark of the course or an inflatable mark laid for the purpose, not necessarily a previously defined mark of the course, then yachts shall finish the race between that mark and the Official Boat. This alters Rule 32.2. There are special rules for the Tunnock's Fleet race on Sunday 30 July and Thursday 3 August – see the specific instructions for that day's race.

If the course is to be shortened for certain classes only, then the numeral pennants indicating those classes will be hoisted as well as Code Flag S. A fast launch or launches flying Flag S, or Flag S and appropriate numeral pennants, MAY patrol ahead of the class or classes for which the course is shortened to indicate the Shortening of Course.

For passage races the Race Officer MAY broadcast details of the amended finish line position.

## 13 THE FINISH

On finishing, yachts shall immediately clear and keep clear of the finishing line. Each yacht when finishing shall ensure that her sail number is clearly visible to the Race Committee. In case of doubt, after finishing she shall hold or alter course, trim her sheets or gybe so that her sail number can be distinguished. Yachts are required to note their own finishing times and the names or sail numbers of the yachts finishing immediately ahead and astern.

See also SI 22 regarding Official Boats not anchored.

## 14 TIME LIMIT

If one yacht in a class finishes within the time limit prescribed for the race, that time limit is then extended by a further 30 minutes for all other yachts in that class. Yachts failing to finish within the time limit, or extended time limit if applicable, will be scored DNF (Did Not Finish) without a hearing. If no yacht within a class finishes within the time limit then the race for that class will be abandoned. For the Tunnock's fleet on Sunday 30 July and Thursday 3 August special provisions apply.

## 15 RETIRALS

During the **Feeder Races** any yacht retiring from the race prior to, during or after finishing shall communicate the fact to the Race Committee as soon as possible in accordance with the instructions given for the race.

During the **Points Series** yachts retiring should contact any Official Boat attached to their fleet to notify such retreat. Alternatively, contact may be made by VHF (see SI 18) or phone 07444 218 021.

## 16 POINTS SERIES SCORING

The Series will be scored as provided in Appendix A4.1 of the Rules - Low Points System, except as amended by the Sailing Instructions. Yachts entering the Points Series shall enter all the races of the Series. Six days of racing are scheduled of which three days are required to be completed to constitute a Series. For the Points Series each yacht's score will be the sum of her scores for all races except that if five or more races are completed in a class each yacht shall exclude her worst score. The Feeder Races on Friday 28 July and Saturday 29 July will not count towards the Series.

Amending Appendix A4.1, yachts not entering all of the races in the Points Series prior to the start of the first race of the Series will not be awarded Series points. However, if they compete in individual races they will be awarded a place according to their result and will be eligible for that day's prizes. In these circumstances, Series entrants shall be awarded points according to their place excluding the non-Series entrants.

For the Tunnock's Fleet on Sunday 30 July and Thursday 3 August it is the intention to hold two races and a yacht's score in each race will count towards the Points Series. However, for the purpose of awarding the Day's trophies and prizes, a yacht's score will be the sum of her scores in both races. If only one race is completed then the score for that race will give the result. Appendix A8 shall apply to the Series in the event of a tie; however, for the purpose of getting a Day's result on the double race days, Appendix A8 will also be used, treating the two races of the day as a mini series.

Amending Appendix A4.2, the penalties are as follows:

(a) Yachts which came to the starting area but Did Not Start (DNS), Retired (RET) or Did Not Finish (DNF) within the time limit will score the points equal to the number of Starters entered for the Points Series, plus one. This does not apply to yachts to which the special provisions of SI 14 apply.

(b) Yachts scored On Course Side (OCS) of starting line or Disqualified (DSQ) will score the points equal to the number of Starters entered for the Points Series, plus two.

(c) Yachts which are entered but Did Not Come (DNC) to the starting area will score the points equal to the number of Entries for the Points Series, plus three.

## 17 PROPULSION

All competitors shall regard the waters used for the Points Series racing as a "Narrow Channel" and shall observe the International Regulations for the Prevention of Collision at Sea 1972, Rule 9b, which states: "A vessel of less than 20 metres in length or a sailing vessel shall not impede the passage of a vessel which can safely navigate only within a narrow channel or fairway."

An engine shall be used when appropriate to avoid collision or in a grave emergency. Full details of this incident shall be given to the Protest Committee who, after a hearing, may impose a penalty. If the Race Committee observes a yacht obstructing the passage of a large power driven vessel in a narrow channel, it may proceed against the yacht under Rule 60.2.

## 18 RADIO COMMUNICATIONS

Competitors are advised to listen on VHF Channel 77, or on Channel 72 for the Argyll Fleet when they are racing on a separate course, for announcements concerning the races including Individual Recalls. In the event of either of these channels being obstructed by other traffic, another channel may be chosen; this will be announced and repeated on the original working channel. A watch will normally be kept on these Channels and Channel 16 during the course of races.

## 19 CREW LIST, CREW LIMITS AND MINIMUM EQUIPMENT

Competitors are reminded of the requirement to submit and maintain a Crew List and of the Minimum Equipment Regulations as defined in the Notice of Race.

## 20 PROTESTS, REQUESTS FOR REDRESS AND RYA ARBITRATION

All Protests shall be lodged in accordance with Rule 61. A yacht wishing to lodge a protest shall notify the Race Committee within the Protest Time Limit by submitting the 'Notice of Intent to Protest' from [www.whyyw.co.uk](http://www.whyyw.co.uk). The Protest Time Limit (Rule 61.3) shall be one hour after the published Race Time Limit (or its extension) for each Race Day. Protestors will be advised by email or SMS regarding the arrangements for submitting the full protest details (61.2). A yacht protesting may also contact the Protest Committee Administrator by phoning 07503 967 564 or by other means, within the Protest Time Limit, to set up lodging the Protest Form and arrangements for the Hearing.

The Protest Committee will notify all parties of the time and place of the Hearings by email or SMS, or by notice delivered by an Official Boat. This will include details of where and when to submit any supplementary information in support of a Protest.

Yachts aware that they are involved in a Protest must ensure that they contact the Race Office in person, by VHF on the relevant Race channel, or by phoning the Protest Committee Administrator 07503 967 564.

On the last day of the Series a request for reopening a hearing shall be delivered:

- (a) within the Protest Time Limit if the party requesting reopening was informed of the decision, or the decision relevant to the redress request was posted, in either case on the previous day;
- (b) no later than 30 minutes after the party requesting reopening was informed of the decision on that day, or in the case of a request for redress from a decision of the protest committee, no later than 30 minutes after the decision was posted.

This changes Rule 62.2 and 66.

Breaches of Sailing Instructions 8, 13, 15, 21 and 22 will not be grounds for protest by a yacht. This changes Rule 60.1(a).

RYA Arbitration: The Exoneration Penalty and the RYA Arbitration Rules Disputes procedures of the RYA Rules Disputes Procedures will be available. Details available in the Race Office or from:

<http://www.rya.org.uk/racing/racingrules/Pages/default.aspx> (see Rules Disputes)

## 21 ADVERTISING

Advertising may be displayed in accordance with World Sailing Regulation 20. Yachts may be required to display advertising chosen and supplied by the organisers.

## 22 OFFICIAL BOATS

Committee boats and other craft officially in attendance will where practicable display the third substitute of the International Code. **Competitors should make themselves aware of the identity of all Official Boats**, which may not be at anchor and may require to manoeuvre suddenly. The term "Official Boat" includes any dinghy, RIB or buoy attached to the main vessel.

When an Official Boat is on station at the starting line or other mark of the course, she will also fly Code Flag J and yachts shall keep clear of her. Yachts shall not come within 15 metres of any Committee Vessel displaying Flag J unless that Committee Vessel is flying Flag M or acting as one end of the Finishing Line.

## 23 TRASH DISPOSAL

The penalty for breaking Rule 55, Trash Disposal, is at the discretion of the Protest Committee (DPI) and may be less than disqualification.

## 24 RESULTS

Provisional results will be posted as soon as possible after the finish of each race. They will be published on the website, and displayed at the Race Office sited as in SI 2.

## 26 SCALE OF PRIZES

Number of entries:	1 to 5 (1 prize)	6 to 9 (2 prizes)	10 and over (3 prizes)
--------------------	------------------	-------------------	------------------------

## 27 DISCLAIMER OF LIABILITY

Competitors participate in the regatta entirely at their own risk. See Rule 4, Decision to Race. The organising authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

## 28 INSURANCE

Each participating yacht shall be insured with valid third-party liability insurance with a minimum cover of £2,000,000 or the equivalent.

## FRIDAY 28 JULY - LARGS TO ARDRISHAIG FEEDER RACE

Organised in association with Fairlie Yacht Club

<b>Greenock Tides</b>
0420 BST 3.6 m
0956 BST 0.2 m
1712 BST 3.2 m
2227 BST 0.4 m

<b>STARTING TIME:</b>	Time Signal	0850	
	Warning Signal	0855	Flag A hoisted
	Preparatory Signal	0856	Flag P hoisted
	Long sound Signal	0859	Flag P down
	Starting Signal	0900	Flag A down

**STARTING LINE:** Off Largs Marina, between an orange flag, on an Official Boat displaying a RED FYC flag and race mark K.

**MARKS OF THE COURSE:** Great Cumbrae and Isle of Bute shall be left to starboard.

**INTERMEDIATE TIMING POINTS:** There will be no shortening of the course for this race but, in the event of no boats completing the course before the time limit, a result will be calculated based on times reported at the last "Bearing Line" to be passed by the leading boat before the time limit. For other boats the time extension will apply as normal. All competing boats shall therefore take their own times when the bearings shown below are reached:

1. Rubh an Eun just east of Garroch Head (55°43.8'N, 5°00.2'W) bears 0°M
2. Sgat Mor beacon (55°50.8'N, 5°18.5'W) bears 075°M
3. North end of Barmore Island (55°53.7'N, 5°24.5'W) bears 250°M

**FINISHING LINE:** A projected line from the beacon on the southern side of the entrance to the Crinan Canal at Ardrishaig on a bearing of 90° true.

These times shall be lodged with the Race Office in writing, certified by the person in charge of the boat together with one other crew member, no later than 1900 on Saturday 29 July. If the written statement cannot be delivered by this time, then boats may submit their times to the Race Office by VHF Channel 77, or by phone to 07444 218 021, with the written confirmation to be delivered to the Race Office by 1000 hours on Sunday 30 July. The Declaration Form is downloadable from the event website.

Yachts are reminded that, in accordance with SI 13, when recording their own finishing times they should also note the names of the yachts finishing immediately ahead and astern.

**PROTESTS:** Any intention to protest shall be intimated during the phone call submitting timings, and the protest form shall be submitted as soon as possible after arrival at Craobh Marina.

**DISTANCE:** About 27 miles.

**TIME LIMIT** for all yachts will be 1800 hours.

**RETIRALS:** The person in charge of any yacht retiring prior to or after finishing shall notify the Race Office by phoning 07444 218 021.

It is the intention to hold a second Race to start as soon as possible after the first Race. Race 2 may not have the same course configuration as Race 1. The same starting sequence will be used for Race 2 with the addition of Flag T being hoisted and a Time Signal made 5 minutes before the Warning Signal for the first Class. Flag T will be lowered at the Warning Signal for the first Class. If the Race Committee decides for any reason that there will not be a second race, Flag G will be displayed by Official Boats.

**RACING AREA:** Racing will take place in the area south of Shuna Island. Admiralty chart 2326 covers this area.

**Note:** Competitors are warned that the starting line may be up to 4 miles south west of the entrance to Craobh Marina and should allow adequate time to reach the area.

**CAUTION:** Particular attention should be paid to Hutchison Rock (56°10.05'N, 5°7'W) when approaching or leaving the racing area. A blue inflatable mark will be laid close to the north side of Hutchison Rock and should be treated as a north cardinal.

**COURSES:** For courses to be sailed, see Addendum.

**TIME LIMIT:** There will be a time limit of 1700 hours.

For the first race today, and altering Rule 35 and Appendix A4.1 and A5, if the race officer considers that any yachts still racing are delaying the start of a second race, and the majority of yachts in their class has finished, he may declare the time limit for the race closed. This will be broadcast on VHF channel 77, and a Committee vessel flying Flag H will attempt to contact any yachts considered to be racing at the time. Those yachts not yet finished shall be scored points equal to the average they would have received had they finished, with any fractions being rounded up.

It is the intention to hold a second Race to start as soon as possible after the first Race. Race 2 may not have the same course configuration as Race 1. The same starting sequence will be used for Race 2 with the addition of Flag T being hoisted and a Time Signal made 5 minutes before the Warning Signal for the first Class. Flag T will be lowered at the Warning Signal for the first Class. If the Race Committee decides for any reason that there will not be a second race, Flag G will be displayed by Official Boats.

**RACING AREA:** Racing will take place in the area between Some Point (56°38.6'N, 6°11.8'W), An Acairseid Bay (56°41.4'N, 6°11.5'W), Mingary Bay (56°41.3'N, 6°04.0'W) and Rubha nan Gall (56°38.3'N, 6°03.9'W). Admiralty charts 2392 and 2394 will be particularly helpful.

**Note:** Competitors are warned that the starting line may be up to 6.5 miles from the entrance to Tobermory Bay to the north west and should allow adequate time to reach the area.

**CAUTION:** Particular attention should be paid to the New Rocks (56°39.2'N, 6°1.9'W) when approaching or leaving the racing area.

**COURSES:** For courses to be sailed, see Addendum.

**TIME LIMIT:** There will be a time limit of 1700 hours.

For the first race today, and altering Rule 35 and Appendix A4.1 and A5, if the race officer considers that any yachts still racing are delaying the start of a second race, and the majority of yachts in their class has finished, he may declare the time limit for the race closed. This will be broadcast on VHF channel 77, and a Committee vessel flying Flag H will attempt to contact any yachts considered to be racing at the time. Those yachts not yet finished shall be scored points equal to the average they would have received had they finished, with any fractions being rounded up.

## COURSES FOR TUNNOCKS FLEET

Sunday 30 July - Craobh Races  
 Thursday 3 August- Sound of Mull Races

The race type for each race will be shown by a code flag flown on the Principal Official Boat and announcements will normally be made on VHF.

Course diagrams are for illustrative purposes only and do not reflect the actual number of rounds to be sailed by the different classes.

### COURSE A (Code Flag A):

The diagram opposite shows the course to be sailed. This diagram is for illustrative purposes only and does not reflect the number of rounds to be sailed. The order of the marks to be rounded is:

Classes 0, 1, 3 & 5 : Start, 1, 2, 3, 1, 3, 1, 2, 3, 1, 3, Finish

Classes 7 & 8 : Start, 1, 2, 3, 1, 3, 1, 3, Finish

All marks are to be left to port. Mark 3 is not a mark of the course during the first windward leg. Marks 1 and 3 will be orange inflatable buoys; Mark 2 will be a black inflatable buoy.

**STARTING LINE:** Between an orange flag on an Official Boat and the course side of an inflatable mark laid at the port end of the Starting Line. On or near the Line, a Distance Mark will be laid and shall be left to starboard.

**SHORTENING COURSE:** In alteration to RRS 32.2, if the Race Committee shortens the course in the vicinity of Mark 3, this mark will be the last mark of the course for relevant classes and boats will leave it to port and will finish at the Finishing line as described below. The shortened course shall be signalled before the first boat in each relevant class reaches Mark 3.

**FINISHING LINE:** To leeward of Mark 3, between a blue flag on an Official Boat and a black inflatable mark laid for the purpose.
